OBJECTIVE

A detail-oriented Software Developer, with about 2 years of experience building and maintaining mobile and web applications. Eager to join your challenging work environment, utilizing my technical skills in creating responsive, user-friendly, and customer-oriented projects.

EXPERIENCE

**Edmonton, Alberta,
Canada**

Apr 2021 - Jan 2022

Sales Associate

I-Pull U-Pull Auto Parts, Canada

- Served as one of the frontline brand representatives welcoming and directing customers around store merchandise, operating the cash register, and maintaining floor appearance.
- Maintained the status of the company's highest grossing sales personnel with impeccable customer service and devotion to duty.

Asaba, Delta State, Nigeria

Apr 2017 - Apr 2021

Data Analyst

Delta State Contributory Health Commission

- Performing initial analysis to assess the quality of data.
- Removal of corrupted data.
- Preparation and presentation of organizational data charts and projections.
- The verification of enrollee status for payment of claims of services rendered by Healthcare Providers.
- Enrollee and Healthcare facility database management, ensure data accuracy and integrity.
- The preparation of the monthly Facility enrollee list and accompanying documents.
- Enrollee and Facility level crisis resolution.
- Selected as one of 3 Baseline Enumerators for the Warri North Local Government Area to research and document the state of primary Healthcare delivery in the region. This facilitated in making my state-owned health insurance scheme the highest ranked in the country.

Warri, Delta state, Nigeria
